SOUTH GRAND LAKE MUNICIPAL AIRPORT

A new era of aviation is emerging at Grand Lake Oklahoma. Arising from the ground is a full service jet capable airport which offers faster and more convenient access to your business and leisure interests on Grand Lake.

The airport is conveniently located adjacent to the Duck Creek arm of South Grand Lake, and the Town of Ketchum, providing quick and easy access to the lake and to area businesses.

The Airport Authority welcomes your questions regarding: Transient Use, Facilities, Rental Hangers, New Hanger Lease Land, Business Opportunities, supporting the airport through participating in Airport activities or a tax deductible investment into the future.

Visit us on the web to stay up to date on the latest progress and developments.
